

The Student Success Initiative Steering Committee is hosting four summits this year pertaining to our goals. Each summit includes a guest speaker and panelists from our campuses. Summits are 9:00am-2:00pm and include lunch. Our regular student success steering committee meetings will take place after the event.

Please join us and RSVP on the links below:

First Year Experience Program Summit  
October 24, 2014  
City College

Guest speaker Shelagh Rose of Pasadena City College will discuss the successful development of the first year experience program at PCC. Panelists will discuss the implementation efforts in FYE programs pertaining to persistence and completion.
