

Fall 2015 FYE Summit

Sharing Discussion Questions:

- What are the components of your FYE program?
- How is your FYE funded?
- When was your FYE program started at institution?
- What are the changes, if any, you have made for this academic year?
- What committees are you working with to support your FYE efforts?
- What types of professional development, if any, are your FYE faculty and staff participating in?

Final Questions:

- How do we move forward with assisting each other?
- What are the next steps we can take as FYE practitioners for our own professional learning?
- Your other questions:
